

LAB 2 – HTML5

Student Name: MOHAMAD HAIRI BIN ABDUL AHMAD

Question Set: Set 8

Task: Audio Equipment

Validation: 14/14 (100%)

Audio Equipment

Sony and JBL		
Video	Specification	Information
 A video thumbnail showing a pair of black Sony WH-1000XM6 over-ear headphones. The text "SONY" is in the top left, "1000X SERIES" is in the top right, and "WH-1000XM6" is in the center over a play button icon.	Sony	Sony Website
		Sony offers a wide range of audio equipment, from noise-cancelling wireless headphones to compact Bluetooth speakers, known for strong bass response and long battery life.
 A video thumbnail showing two blue JBL PartyBoost portable speakers on a wooden table. Text overlay reads "PARTYBOOST CONNECTS MULTIPLE PARTYBOOST SPEAKERS TO PUMP UP THE PARTY". A play button icon is in the center.	JBL	JBL Website
		JBL is well known for its portable and rugged Bluetooth speakers with signature "JBL Pro Sound," along with a wide lineup of true wireless earbuds.
