

LAB 2 – HTML5

Student Name: MOHAMAD HAIRI BIN ABDUL AHMAD

Question Set: Set 8

Task: Audio Equipment

Validation: Not checked

Audio Equipment

Sony and JBL		
Video	Specification	Information
 A video thumbnail showing a pair of black Sony WH-1000XM6 headphones. The text "SONY" is in the top left, "1000X SERIES" is in the top right, and "WH-1000XM6" is in the center over a play button icon.	Sony	Sony Website
	Sony offers a wide range of audio equipment, from noise-cancelling wireless headphones to compact Bluetooth speakers, known for strong bass response and long battery life.	
 A video thumbnail showing two JBL PartyBoost speakers, one blue and one black, on a wooden table. The text "PARTYBOOST" is at the top, followed by "CONNECTS MULTIPLE PARTYBOOST SPEAKERS" and "TO PUMP UP THE PARTY". A play button icon is in the center.	JBL	JBL Website
	JBL is well known for its portable and rugged Bluetooth speakers with signature "JBL Pro Sound," along with a wide lineup of true wireless earbuds.
